CREEPY MUSIC (:15)	CREEPY MUSIC LYRICS:
	"You didn't wait to look at what your
	phone showed. You held the phone
	and took your eyes off of the road.
	Your car is exploding. Your body will
	soon be corrodinggone without a
	warningfamily and friends are
	mourning."
TAKE V/O (:45)	TEENAGER V/O:
CONTINUE MELODY OF CREEPY	Your world could be over in a matter of
MUSIC IN BACKGROUND	moments. If you know it's dangerous,
	why do you still do it? Do you think it
	won't happen to you? Do you think you
	can do it because you have done it
	before with no problem? Do you think
	you are some sort of exception to the
	rule? What makes you so special?
SFX HEARTBEAT	
	If you think it won't happen to you, think
	again.

Г

	You are not immune to the number one
	killer of American teens. You cannot
	escape it. You are just as likely as
	anyone else to become a part of the
	statistic.
SFX HONKING HORN	
	Texting takes your eyes off the road for
	about five seconds.
	One second is all it takes for you to die.
SFX CAR CRASH	
	It could happen to you.
	Brought to you by the National
	Highway Traffic Safety Administration.
